## Program Mission:

The limited status program is intended for individuals approved by the University to take a limited number of courses at USC.

Individuals who do not have a bachelor's degree may take up to 16 units through limited status enrollment. For graduate students, up to 12 units are allowed. After the maximum number of units is reached, the student should apply for admission to the program through the USC Admission Office to continue their enrollment.

International Students: Please note that F-2, B-1 and B-2 visa status holders are not eligible for limited status enrollment at USC. All other visa categories will be reviewed by the Office of International Services.

## Instructions for Registering as a limited status student

---

1. Complete the Limited Status Program Registration Form.
2. Contact the department offering your course(s) to request permission to enroll. Refer to the Schedule of Classes ([classes.usc.edu](http://classes.usc.edu)) for department phone numbers and locations.
3. If the department offering the course approves the applicant's request to register, the department will submit the Department Approval Form and the Limited Status Registration Form to the Registrar One Stop.
4. The Registrar's Office will contact the applicant to schedule an in-person appointment. The applicant must furnish two forms of government-issued identification (i.e., driver's license, passport, government identification card, military identification), Social Security card, and proof of address through a utility bill. The applicant is also expected to submit official transcripts of all colleges and universities attended. A \$100 non-refundable processing fee will be charged at the time of the meeting. Forms of payment include Visa and MasterCard. Checks and cash are not accepted. This does not apply to USC employees.
5. If the Registrar's Office approves the application, the applicant will be registered for the approved courses, and the applicant will be notified by email. The applicant will have 24 hours to submit tuition payment or enrollment will be canceled.

## Choose Your Grade Option:

Most students register for courses to receive a letter grade. If you wish to take a class for a grade of Pass/No Pass or for a grade of Audit you must indicate the option in the 'Grade Option' column of the form. Audited courses will not appear on the transcript or count for units. Auditing a course costs the same as taking a course for a letter grade or Pass/No Pass.

## Pay Your Tuition and Fees:

Pay your entire tuition balance within 24 hours of registration. Registration in all courses will be canceled if you do not submit payment within 24 hours of registration. This policy does NOT apply to USC faculty and staff. USC employees and dependents should submit the appropriate forms to Benefits Administration as soon as possible.

To submit payment, visit [sfs.usc.edu/payment](https://sfs.usc.edu/payment) for payment options.

## UNIVERSITY POLICIES

### Academic Eligibility Policies:

1. Students who have not yet completed a bachelor's degree are not eligible for limited status enrollment if they have been denied admission to USC or if they have been academically disqualified or suspended from any community college, college or university.
2. At the post-baccalaureate level, limited status enrollment is not available to students who have been denied admission to the department offering the course, unless prior approval is granted by the department and the appropriate dean.
3. Enrollment as a limited status student does not guarantee admission to any degree program at USC.
4. Registration in a class does not by itself guarantee a space in that class. An instructor may replace any student who without prior consent does not attend these class sessions: the first two class sessions, or the first class session of the semester for once-a-week classes.
5. It is then the student's responsibility to abide by the add/drop deadlines found on the Registration Calendar [classes.usc.edu](http://classes.usc.edu), and withdraw officially from courses through the Registration Department.
6. A student must obtain or maintain academic eligibility in accordance with the requirements of the University and the school or department in which the student is enrolled. Academic disqualification may result in revocation of this registration, even if classes have started.

In the event of academic disqualification, 100% of any tuition paid for that semester will be first applied to any outstanding debt to the university. Any remaining credit will be refunded by the Cashier's Office. The refund process will be initiated by the Petition Services Department in the Office of the Registrar. For a complete list of Academic Eligibility Policies, please visit [arr.usc.edu/registration-counseling/registration/limited-status-enrollment](http://arr.usc.edu/registration-counseling/registration/limited-status-enrollment).

### USC Academic Integrity Policies:

1. I will observe the academic integrity standards for students at USC according to the USC Student Handbook ([policy.usc.edu/studenthandbook](http://policy.usc.edu/studenthandbook)).
2. I agree that I share responsibility for maintaining an environment of integrity and for taking action to sanction appropriately individuals involved in any violation.
